As we reflect on the incredible success of Sportexpo, we are filled with immense gratitude and appreciation for your invaluable contributions. Your support and dedication played an integral role in making this event an outstanding achievement, and we cannot thank you all enough.

To our sponsors, your generosity and belief in our vision empowered us to create an event that celebrated sports, fitness, and wellness in the most impactful way. Your support provided the necessary resources to bring HITEX SportExpo 2023 to life, and we are deeply thankful for your partnership.

With 60+ Exhibitors & 20,000+ visitors at the venue, HITEX SportExpo 2023 has become hotspot of Hyderabad from 25-27 August, 2023. Yoga events by Art of Living, Sahaja Yoga Navyoga have attracted massive footfalls.

The NMDC Hyderabad Marathon 2023, was a true test of endurance, determination, and community spirit. The incredible atmosphere, unwavering support, and the thrill of conquering those miles made it an unforgettable experience.

Mr. Sportex Classic India was conducted by Bhayganagar Bodybuilding association. It was a class event which attracted over 170 participants from all over the country who participated with great enthusiasm in an electrifying atmosphere.

Together, we created an event that inspired, educated, and celebrated the world of sports and fitness. The success of Sportexpo is a testament to our collective efforts.

Looking ahead, we are excited about the possibilities that the future holds and the potential for further collaborations. HITEX SportExpo will be back next year with more attractions and excitement.
